

COVID-19 Guidelines

The address is 974 Michie Tavern Lane, just up the street from the Monaghans.

We will meet at our regular morning and evening times, 10 am and 6 pm. We will not be having Sunday school classes yet.

Things will be somewhat different as we come out of the government restrictions:

1. When you come in the meeting area, pick up as many Psalter-Hymnals as you need for your family group and find a place to sit together. Family groups should maintain at least six feet spacing from other family groups.
2. There is a kitchen, but please don't go in it at this time.
3. There are men's and women's restrooms that you will pass by after entering the main entrance on the way into the large meeting room.
4. A bag will be provided for each family group to store your Psalter-Hymnal. That way you can continue using the same hymnals from service to service and week to week.
5. We will continue to live-stream the service. The FOP is allowing us to use their wi-fi connection. If for any reason you are unable to come, you will be able to join us this way.
6. If you feel unwell, please stay at home. If you are hesitant to join with us in person just yet, please avail yourself of the live-stream service.

7. You may wear a face mask if you desire to, but masks are not required.
8. Communion will be served by family group. Each family group will come to the Lord's table in turn to take servings of the bread and wine back to your seats. We will then all partake together.
9. The offering baskets will not be passed around. Instead a basket will be placed where you may place your tithes and offerings.
10. We do not have a place for a nursery or cry room at this time.
